## Let's Capture The Magic Of Motherhood

Congratulations on your soon-to-arrive bundle of joy! This is such an exciting time in your life and what better way to capture these memories than with memorable portraits. Documenting your pregnancy will be a great way to share these moments with your son or daughter in the future.

If you are a little anxious do not worry! I have worked with many pregnant mothers and my job will be to keep you as comfortable as possible. That's a promise! Feel free to give me a call so we can talk in person and I'd be happy to give you more information on what to expect during your session. Just relax and let me take care of the rest.
